

Beyond Saddles and Scenery – it's about a life lived better!!

At Eastview Wilderness Ranch, it's about much more than horseback riding and spectacular scenery, which are present in abundance. Says Eastview Wilderness Ranch's Corrina Kapeller: "It's about the culture of our country lifestyle and a deeper connection with the land and our environment... this is an experience that is not soon forgotten!"

The Kapeller's ranch near Arborfield is at the edge of the dramatic Pasquia Hills, and is associated with their organic cattle and farming operation. Guests enjoy modern ranch house accommodations, home cooked meals, a day of open prairie and wilderness horseback riding with an experienced guide, a sturdy and secure mount, and the best of equipment. In the evening there are campfires, music and the exuberance of cowboy poetry!
