

LEAD DOG'S CHOICE !

AN INTRODUCTION TO DOGSLEDDING

No previous experience is necessary; your guide and hosts will share their in-depth knowledge of the history and how-to of dogsledding as the team takes you through the mosaic of woods, muskegs and lakes that make up the boreal forest. With cozy chalet nights, this is a comfortable and low-impact way of learning about this fascinating woodland experience!

This marvellous winter get-away starts when you arrive at Saskatoon's Diefenbaker Airport, pick up your well-appointed rental car, and check into the Hilton Garden Inn downtown. It's time to relax from your flight; you are in the heart of Saskatoon's downtown restaurant district, so catch a great meal and maybe even take in a show or one of the many concerts and plays that Saskatoon's vibrant cultural scene offers.

The next day you will take a leisurely drive up to the Land of the Loon Resort by the south east corner of Prince Albert National Park. Remember, it's wintertime in Saskatchewan, so leave lots of time for your drive, which will be along well-kept highways even in winter conditions. You might want to have lunch in Prince Albert; Amy's Restaurant is a local favourite, and it's along your route on the right-hand side of the highway through the city.

Your dogsledding experience begins and ends in solid comfort at Land of the Loon Resort, where you will check into a cozy handcrafted log chalet by the shore of Anglin Lake near the south-east corner of Prince Albert National Park. A three-course meal at the legendary Snail's Pace Café will be served you this evening to help you prepare for tomorrow morning!

You'll spend the next day learning from your expert guides about the art and science of running a dog team along the trails near Anglin Lake – in the midst of Saskatchewan's boreal forest. This is a full-service adventure - Sundogs provides, prepares and serves lunch, snacks and beverages, as well as souvenirs and a certificate.

After your two-day excursion, you will wind up back at Land of the Loon resort for a cozy dinner by the fire at the Snail's Pace Café and a soft night's sleep before heading back south the next day, to where a luxurious bed

at the Hilton Garden Inn in Saskatoon (and perhaps some time spent in the hot tub or sauna) are waiting for you!
